

The U.S. Department of Homeland Security
Office for Bombing Prevention

Presents

Improvised Explosive Device (IED) Search Procedures Workshop

NH POLICE STANDARDS AND TRAINING
17 INSTITUTE DRIVE
CONCORD NH 03301

APR 21, 2015
8:00 am – 4:00 pm

Workshop Purpose

This workshop is designed to increase IED awareness and educate participants on bombing prevention measures and planning protocols to detect IEDs by reviewing specific search techniques. This workshop builds knowledge of counter-IED principles and techniques among first responders and public/private sector security partners that increases their capabilities to reduce vulnerability and mitigate the effects of IED attacks.

Who Should Attend?

This workshop is ideal for public and private sector security partners including first responders, security professionals, and critical infrastructure executives, managers, and security staff tasked with IED search and response protocols.

Schedule of Events

Module 1: Introduction

Module 2: IED Fundamentals and Blast Effects

Module 3: IED Search Procedures

Module 4: Tabletop Exercise

Transportation, Parking & Lunch

Lunch will be the responsibility of attendees.
