

ESSEX COUNTY MASSACHUSETTS
FIRE CHIEF'S ASSOCIATION

TRAINING OPPORTUNITY

NFPA 1851: PPE Advanced Care and Cleaning

DATE: January 4, 2022

Sponsored by

TIME: 0900-1200

LOCATION: Andover Fire Rescue
32 North Main Street
Andover, MA

COST: Free (preregistration required)

Class Overview

NFPA 1851, *Standard on Selection, Care, and Maintenance of Protective Ensembles for Structural Fire Fighting* was created to establish proper PPE maintenance and limit the exposure of fire ground contaminants to firefighters. The standard contains requirements for routine inspections and cleaning, advanced inspections, and repair, as well as guidelines for the selection and storage of PPE and required records. This class will include an overview of NFPA 1851, a detailed demonstration on advanced inspections, and will include a certificate of participation to meet the NFPA 1851 required “manufacturer training” needed to perform advanced cleaning and advanced inspections for your department. Attending this class and implementing NFPA 1851 will improve the safety of your members and the longevity of your PPE.

Space is limited.

To register, email giovannacci@verizon.net by December 28, 2021

NOTE: All participants will be required to follow any Town of Andover COVID protocols that are in effect, which currently include the wearing of masks and social distancing.
