

ESSEX COUNTY
FIRE CHIEF'S ASSOCIATION
Training Division

IN COOPERATION WITH:

NorthEast Squad Concepts LLC

PRESENTS:

Handling Hybrid and Electric Vehicle Incidents

Two Class Times To Pick From

Tuesday April 18th 1300-1600

Tuesday April 18th 1800-2100

Location: Rowley Fire Department

This 3-hour course instructed by FDIC 2023 Speaker Jason Rivera covers FD response and operations at incidents involving Hybrid and Electric Vehicles as well as Lithium-Ion Battery Backup Systems, Micromobility (e-scooters, bikes, etc.) and the Tesla Solar Roof.

The class is broken into three sections:

Hybrid Vehicle lecture, Electric Vehicle lecture and a tour of a Tesla Model 3 to review operations and safety features.

Class Cost: \$25.00 per student
